➔ **Get ready to march on Washington, D.C. September 24**

➔ **And with the Millions More Movement October 14, 15, 16**

Our youth, sent to kill and die, and hundreds of billions of our tax dollars are being used to occupy or help to occupy Iraq, Afghanistan, Palestine, Haiti, South Korea, the Philippines and other countries. These occupations need to end. Instead of occupying other countries, our money should be used to find decent housing for people at home to occupy.
